

ABOUT US

AJ's Deli is a locally owned restaurant serving the greater Elmira-Corning area since 1986.

The deli is now owned by AIM Independent Living Center, a non-profit agency which provides a wide array of supports and services for people with all types of disabilities.

AIM operates the deli in conjunction with our Supported Employment Program, which offers job skills training, work experiences and on-site job coaching to people with all types of disabilities. Program participants work alongside the AJ's Deli staff.
